Finally, an affordable CUTTING-EDGE multi casino game!

Complete Touchscreen Multi-Game System

Whether you are in the market for a multi-game that offers some of the most popular games in the casinos, for your business establishment or for the home, this could be the one and only casino game you'll ever need.

The POT-O-GOLD DX has been one of the most played and sought-after games in truck stops, night clubs, bars, restaurants, and legal gaming facilities for the last few decades. Additionally, these were once NOT sold to the store owner or for the home, is now FREELY available to anyone from us at ITNA!

Things to consider before you make your purchase.

1. If it is for a business that requires redemption in the form of prizes, or money where legal, you would want to add a ticket printer that prints the players winnings in the points, redeemable for prizes and or money.
2. If it is for home use, then you do not need the optional printer because you can press a button on the machine to erase your winning credits. However, some homeowners prefer the ticket printer, therefore, making one' at home casino night a smash!
